BSA Scout sharing the peace light

The boys and girls of BSA Troops 135 & 235 with Rosty Slabicky of Ukrainian Plast Scouts invite you to join them in promoting peace, harmony, and unity among all people of the world. After a reverent church service, drink hot cocoa and sing carols around a bonfire!

Bring a favorite candle or an oil lantern to share and distribute the peace light that originates from the eternal flame located at the birthplace of Christ. The Peace Light has burned continuously for more than 1,000 years and will be shared at Christmas time by approximately 30 million people worldwide again this year.

All are welcome.
